Hi, Isabella. Please try to connect with both Larry Bradfish and the Water Board attorney, David Lancaster before your vacation if possible. Given the tight timeframe, hopefully David and you (and Alex and Pete) can all meet up and get on the same page from the CalEPA perspective. Since all of you are local and some are in the same building, I hope you can find time prior to the 15th to meet. Larry Bradfish and I can try to make ourselves available following that if needed, but the next critical step is for DTSC and the Water Board to have preliminary discussions-so please don't wait on us to schedule.

Thank you,
Lynn

Hi Lynn and Pete,

Got back from vacation today. And I'm so sorry to say this but I'm on vacation from Nov 15 through the 24th too (I have family in town – it's been a busy 2 months). But I'm back today until the 14th and can make time for a smaller meeting or just with Larry in the next week and ½?

Sorry, I'm not usually this difficult....I hope.

Thanks,

Isabella
